## JAPAN JOINS ALLIES AGAINST SEPARATE PEACE SAYS LONDON

MIKADO'S GOVERNMENT WILL  
STICK TO FINISH WITH  
ENTENTE POWERS.

## SERBIAN CONDITION IMPROVED

Situation for the Allies in Southern  
Serie Said To Be Much  
More Favorable.

(Associated Press)  
London, Oct. 29—Japan has become a party to the agreement not to conclude a separate peace.

Artiste Briand today began the work of forming a new French cabinet to succeed the Viviani ministry, which resigned yesterday. He conferred first with former Premiers Bourgeois, Combes and Melin.

**Millions Damage to Lille.**  
The damage caused by the bombardments of the French manufacturing city Lille is estimated by the Amsterdam Telegraph at \$260,000,000.

**British Losses Told.**  
The British casualties from the beginning of the war to October 1 were 493,294.

**Situation Improved**  
While the Teutons from the north and the Bulgarians from the east are steadily pressing in upon the Serbians the situation in south Serbia is reported to be considerably improved from the viewpoint of the entente allies.

The French and Serbians are reported to be on the offensive along the railroad to Nish and to be marching on Istrp.

**Contracted Italian Assaults**  
Vienna reports contracted and furious attacks by the Italians, but says several have already been repulsed.

**Artillery Fighting**

Vigorous fighting continues in the Champagne district, Paris says, and there is also violent fighting with bombs and hand grenades north of Aisne.

Paris, Oct. 29—Following the resignation of the Viviani coalition cabinet of France, Aristide Briand has been holding momentous political conferences in an effort to form a new and enlarged ministry. On his choice depends the future shaping of the war so far as France is concerned.

Premier Viviani and his ministry resigned early in the day, and M. Briand, formerly premier, was asked to construct a new cabinet. When the chamber of deputies met in the afternoon, however, he had not fulfilled his mission, and the deputies adjourned.

The shakeup was attributed mainly to general dissatisfaction with the government's foreign policy, especially in connection with the German diplomatic victory which brought Bulgaria into the war on the Teutonic allies' side.

**Stated for New Cabinet.**

The best information available is that the new cabinet will be made up as follows:

M. Briand—Premier and minister of foreign affairs. Jules Cambon, ambassador to Germany when the war began—General secretary. Charles De Freycinet—Vice president of cabinet, without portfolio. M. Vinyani—Minister of justice. General J. S. Gallieni, military governor of Paris—Minister of war. Rear Admiral Lacaze—Minister of marine. Tienne Clement—Minister of agriculture. L. L. Klotz—Minister of commerce. Emile Combes, ex-premier—Minister of instruction. Leon Burgeois, Denys Cochin and Jules Guesde—Ministers without portfolios. M. Ribot—Minister of finance. M. Doumergue—Minister of colonies. Paul Painlevé—Minister of inventions, a newly created office.

**Millerand May Get Post.**

It is expected that M. Millerand, minister of war, will be associated with the new cabinet. Rene Renault or Gabriel Guist Hau may be minister of labor.

President Poincaré held a conference with Briand and M. Cambon immediately after the Viviani cabinet resigned.

Since the resignation of Théophile Delcasse, famous French statesman, as foreign minister, Oct. 13, it has been said there was a disagreement regarding the Balkan policy of France, but M. Viviani told the chamber of deputies there was no discord in the cabinet.

The cabinet has been previously reorganized since the beginning of the war. The Viviani ministry resigned Aug. 26 last year and the coalition cabinet was formed, with M. Viviani remaining at his post.

M. Briand has held several cabinet positions and was premier from Jan. 21 to March 18 of 1913. He was minister of justice in the cabinet that just resigned.

GREEK LETTER SOCIETIES.

The Greek Letter Society was invented over 100 years ago in an American college and there are now so many of them that the Greek alphabet is becoming sadly overworked and it must soon be engaged to take care of the rush of business.

Contrary to popular supposition the members of these societies do not spend their time writing letters in Greek. No doubt they could if they chose, but the kind of letter that father understands and answers must be written in English and the Greek letter member is usually a most faithful correspondent as far as his father is concerned.

A Greek letter society is commonly supposed to be a gang of desperate young men who have sworn over a bloody skull to stand firmly by each other and never reveal the name of the brother who blew up the court house. It is supposed to be so powerful that when twenty or thirty young men with pompadours hats get together in a black cellar under a red light and whisper in case-hardened voices they can defeat the noble young candidate for Congress who is supported only by a few shivering magnates or a plucky little railroad.

Greek Letter Societies are also supposed to lead lives of crime and to encourage their devotees to engulf large vats of virulent stimulants. Many a bright young man who has gone to college with a pocket full of picture cards for perfect attendance at Sunday school is supposed to have emerged from the first meeting of his secret

## USE "CASCARETS" FOR LIVER AND BOWLES WHEN CONSTIPATED

When Billions, headache, sick, for sour stomach, bad breath, bad colds.

All of these suspicions arise from the fact that the Greek Letter Society is secret and that its members are supposed never, no never, to reveal what has happened behind the black curtain with the cross-bones on it. Any thing secret is suspicious, as John D. Rockefeller has found out. But at the risk of invoking the horrid vengeance of the Alfalfa Delta, the Delta Kappa Sonofaguns, the Eta Pita Pie, the Sigma Whooperups, the Mu Kow Moos and the Omega Salves we are about to divulge the four principal secrets of the Greek Letter Society:

Turn down the lights, please. They are as follows:

1. The rent of the chapter house is now two months overdue and tomorrow the high priest of Delta Flush chapter is going to try to jolly the landlord along another month.

2. If a certain tow-headed freshman is made president of his class he can be snatched away from the other frats and into our noble order. Vote, Broth- ers, vote.

3. On the third of next month an informal dance will be given with an imported orchestra and when the Fair Gammars hear of it they will expire with envy.

4. On next Saturday night at midnight three shuddering neophytes will be inducted into the awful mysteries of our mighty band. Let no brother forget to bring a barrel stave.

There are a few other dark secrets, but none as black as these.

Greek Letter Societies are harmless and moreover are of great good. Many a bright young man who has gone to college with a pocket full of picture cards for perfect attendance at Sunday school is supposed to have emerged from the first meeting of his secret

## FRANCE SHAKEN; HAS NO CABINET

Briand Is Called On To Form New Ministry.

London, Oct. 29.—An emphatic denial that Great Britain was engaged in any peace negotiations, direct or indirect, was made by David Lloyd George, the minister of munitions, in reply to a question in the house of commons.

Mr. Lloyd George spoke for Premier Asquith, when the question of which Amman Bryce had given notice came up. The query was as to whether official exchanges of views had been carried on between Berlin and London with the possible object of the conclusion of an early peace and whether inquiries of a similar nature had been made by official representatives of any neutral power.

"Certainly not," was the reply of the minister of munitions.

"The words of the prime minister still hold good," he added, referring not only to the question of peace negotiations, but to the query as to whether the premier still adhered to the declaration in his Guild hall speech that Great Britain should not sheath her sword until "the freedom of Europe was secured."

Mr. Lloyd George continued:

"We shall not think of entering any peace negotiations except in common with our allies, in accordance with the agreement made in September, 1914."

Think Kaiser Talked Peace.

Washington, Oct. 29.—Ambassador Gerard's recent conference with Emperor William is causing much speculation in official quarters here. Secretary Lansing said that the ambassador had not been directed to visit the emperor and that no report of the conference had been received.

It is generally supposed that on the return of the emperor to Potsdam the ambassador made an informal visit in the interest of German-American relations. The satisfactory settlement of the Arabic case gives ground for the belief that the ambassador might have sought the emperor's views on several diplomatic questions that have been held in abeyance because of the submarine controversy.

The possibility that Emperor William might have taken advantage of the opportunity to express to Ambassador Gerard Germany's views on peace was generally discussed here, especially as a consequence of published reports that Germany intended soon to make known the basis on which she would make peace. Reports that Prince von Buelow, former German chancellor and ambassador to Italy, was to visit King Alfonso of Spain and later the United States have attracted much attention here because of the belief that to him might be intrusted the task of explaining Germany's viewpoint.

## TREAT CATARRH BY NATURE'S METHOD

Every Breath of Hyomei Carries Healing, Medicated Air to the Infected Membrane.

Nearly every one who has catarrh knows how foolish it is to try and cure it with sprays, lotions, and the like. Temporary relief may be given, but a cure seldom comes.

Until recently your physician would probably have said the only way to help catarrh would be to have a change of climate; but now with a simple preparation called Hyomei you can carry a health-giving climate in your vest pocket and by breathing it a few minutes four times a day successfully treat yourself.

The complete Hyomei outfit is inexpensive and consists of an inhaler that can be carried in the vest pocket, a medicine dropper and a bottle of Hyomei. The inhaler lasts a life time, and if one bottle does not give permanent relief, an extra bottle of Hyomei can be obtained at any time for a trifling sum. It is more economical than all remedies advertised for the cure of catarrh, and is the only treatment known to us that follows nature in her method of treating diseases of the respiratory organs.

Rowland Bros. have sold a great many Hyomei outfits and the more they sell, the more convinced they are that they are perfectly safe in guaranteeing to refund the money if Hyomei does not relieve.

Our Advice is: When you feel out of sorts from constipation, let us say that if

**Thursday Reading Circle**  
The Thursday Reading Circle met Thursday afternoon with Mrs. Robert Anderson in a most enjoyable meeting. Twenty-five members were present and a number of guests, including Mrs. William Stark of this city, Mrs. Alvin Dodd of Grand Detour, and Mrs. Mary Glick of Taylor. A dainty luncheon was served in the dining room which was prettily decorated. A Hallowe'en table cloth and napkins were used and a centerpiece was arranged of oak leaves. The program was a very interesting one and consisted of solos by Mrs. Lee Read and Mrs. Herbert Harms and the study of the Bay View magazine for October, as conducted by Mrs. Parks. Mrs. Robert Rodesch will be hostess at the next meeting.

#### Entertained in Oregon

Mr. and Mrs. Frank Bender, Mr. and Mrs. Louis Leydig, Mrs. Margaret Burrs, Mrs. Dave Boos, Miss Marie Madden, Miss Grace Stevens, and Glen and Lester Burrs arrived to Oregon last evening and were entertained at the home of Mrs. Ella March. A number of people living in Oregon were also present, and a pleasant evening was spent at "500." A three course oyster supper was served by the hostess.

#### House Warning

Mr. and Mrs. Paul Brookner were delightfully surprised at their new residence at 315 Fifth street by a company of twenty friends who gathered to give the new home a house warming. Music and cards furnished diversions for the evening, following the serving of a delicious scramble supper.

#### Arrange for Bazaar

The women of the Industrial department of the Baptist church held a short session at the home of Mrs. Ray Miller yesterday afternoon. Arrangements were made for a chicken pie supper and bazaar to be held on Wednesday evening, Nov. 17th at the church.

#### Children's Hallowe'en Party

Mrs. Thomas Sullivan entertained last evening from 6:30 to 9 with a children's party for her two little daughters, Misses Katherine and Helen. Twenty-two little girls were the guests and a merry time they had in the playing of novel Hallowe'en games suited to little tots. The house was decorated in autumn leaves, pumpkins, and jack-o'-lanterns in effective groupings. Dainty refreshments were served at 8:30, culminating the evening's pleasures.

nie Johnson met in the parlors and celebrated Hallowe'en. Autumn leaves and Hallowe'en decorations were prettily mingled. A luncheon was enjoyed and the remainder of the evening in Hallowe'en frolics, from fortune telling by a gypsy, who used twigs to aid in the reading of the future, to guessing the contents of mysterious packages at a penny a guess. The coming of the class members in fancy costumes and masks added to the merriment.

## This Time Choose for a Lifetime—

You've bought mattresses before. You'll buy 'em again; unless, this time, you choose the Dixie NoTUFT—the lifetime mattress.

You'd hardly expect a package tied with light cord to hold for years, when subjected to continual wear. The tufts of the tufted mattress are only light cords. No wonder they weaken and break. The Dixie NoTUFT has no tufts. It is made of compartments whose partitions are as strong as the mattress itself. No wonder the Dixie NoTUFT wears well.

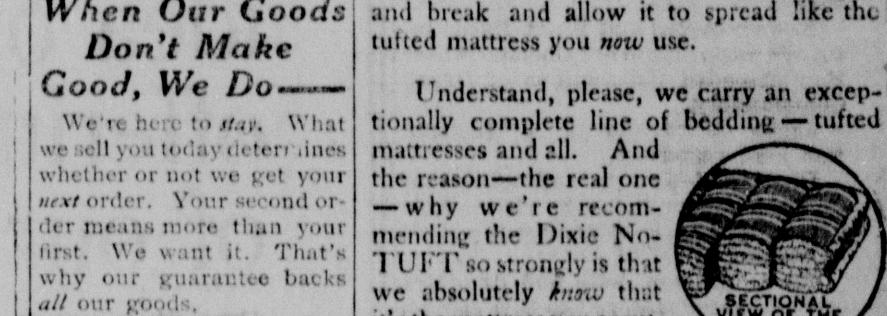

## Dixie NoTUFT

Made under Patents issued. Others pending.

## Mattress

Every good housewife likes handsome, well-draped beds. You can have them if you'll use the Dixie NoTUFT. It makes an even-edged bed that enhances the appearance of your bed fittings—a bed that stays right because it has no tufts to weaken and break and allow it to spread like the tufted mattress you now use.

Drop in and look around. We've so many things worth looking at that you can't afford to stay away.

## ENGLAND STOPS TREATING.

At first glance it is a little hard to understand how the abolition of treating in London hotels and tap rooms is going to help the English beat the Germans, but a little thought shows that even this small measure of prohibition may have its saving influence. In the first place the British statesmen are struggling to increase the national efficiency and raise the public conscience to the highest possible level. Both efficiency and conscience are helped by national sobriety—and treating is the greatest enemy of sobriety that ever struck its blow. The man who gets drunk in solitude is unusual, though

England has him in full supply. Nothing but prohibition will sober him, and England is not yet ready for prohibition. But men who are not naturally drunkards wreck their sobriety at last by yielding to the temptation to treat their fellows and accept the treats that others offer them. Human nature and sociability do a great share of this mischief. The anti-treating regulation cuts off the danger. No longer does the raising of an army depend, as once it did in Britain, on getting the recruit drunk. England's appeal at this time is to the soberest judgment, the purest and highest sentiment, of the country's manhood.—Transcript.

## THE 1916 ISSUE.

The presidential issue for 1916 is very simple.

It is not the tariff.

It is not finance.

It is not the relation of capital to labor.

It is not the regulation of the trusts.

It is the question of national defense.—The Outlook.

On that point we must beg to differ with Dr. Lyman Abbott. There is no such issue between the parties. They are in thorough agreement about the paramount necessity for full and adequate preparedness for national defense. That is the hopeful feature of the situation. Restoration of the tariff to a basis that will afford protection to our industries and relieve the government of the necessity of restoring the emergency taxes and bond issues to fend off impending deficits will be the issue.—Milwaukee Sentinel.

## E. M. DAVIS GETS NEW TRIAL

He Is Accused of Embezzling from Father-in-Law's Estate.

Jerseyville, Ill., Oct. 29.—The decision of the Illinois supreme court granting a new trial and reversing the findings of the Jersey county circuit court in the case of Edgar M. Davis, formerly of St. Louis, stays the execution of the sentence of the court committing Davis to the penitentiary.

The former head of the St. Louis Fire Insurance company and the builder of the A. J. and P. railroad from Alton to Jerseyville, was found guilty of embezzling sums of money from the estate of his father-in-law, A. W. Cross, Jerseyville banker, the estate now being insolvent. The contention of the defense that the Jersey county court in Illinois had no jurisdiction because if any crime was committed it was in the City of St. Louis, was overruled by the trial judge and this ruling, with others, was expected to stand the case taken up on a writ of error.

## AURORA POLICEWOMAN

(Continued from Page 1) cases, formerly given practically no care, are now brought to time by the policewoman who watches them in the police department, the states attorney's office and the justice courts. Bastardy cases, formerly ignored by the states attorney, get attention now by the co-operation between the policewoman, the chief of police and our justice of the peace, who is willing to grant a warrant, regardless of the states attorney. Rape cases, formerly not brought to trial except in extreme cases, now get better consideration although prosecution is still slow and difficult.

"In comparing the large number of people who had availed themselves of the services of the policewoman with the small number of arrests made, the success of the woman officer is shown. Many women and girls apply to her for assistance before their affairs reach a crisis requiring police interference and adjustment through the courts. The result is prevention of crime and misery and insofar as this is accomplished it is in accord with modern police tendency, wherein the emphasis is laid upon prevention rather than upon punitive work.

"The Juvenile Protective association of Aurora was established by the efforts of the women. Previous to its incorporation there was no organized work being done for children. In a little over a year we have had a dance hall ordinance passed by the city council.

"Co-operation with the managers of the moving picture houses which has resulted in better pictures, also an improvement in ventilation and lighting of these houses. The establishment of a detention house, which has cared for 91 children. Recently the county supervisors appropriated \$1,000 yearly toward the maintenance of this house, thereby making it a semi-county institution. The trained worker also co-operates with the charity organizations of other cities where local investigations are necessary. This trained worker has been given police authority by the police commissioners at the request of the chief of police."

## BANDITS ROB, JAILED AND ESCAPE IN DAY

Saw Bars While Captors Take in Small Town.

Peoria, Ill., Oct. 29.—Officers in six counties surrounding Peoria are searching for four men who have committed a series of robberies netting several thousand dollars in cash and valuables. The bandits first made their appearance at Chillicothe, Ill., where they robbed the Santa Fe station of \$45 and carried away express packages believed to be worth hundreds of dollars.

The bandits made their way to Princeville, Ill., where they robbed the depot and express offices, carrying away practically everything of value that was transportable. An automobile brought the four men to Peoria, where they tried to dispose of loot secured at Chillicothe and Princeville. A pawnbroker called the police, but before they arrived the bandits had escaped.

They were next heard from at Glasford, Ill. The town marshal gathered a posse of citizens and placed the four men in jail. Sheriff Butts of Peoria was notified and sent officers to bring the bandits here. The officers arrived at Glasford, saw that their prisoners were secure and left for a visit up town. When they returned they found that the four prisoners had sawed their way out of jail, jumped into their own auto, loaded with loot and escaped.

## NOTICE TO CONTRACTORS.

Sealed proposals addressed to the Board of Local Improvements and the Council of the City of Dixon, Illinois, and endorsed, Proposals for the furnishing of the labor and materials for and the construction of vitrified tile pipe sewer, for sanitary purposes, with manholes, house connection laterals and flushing tank in Ottawa Avenue in the City of Dixon, Lee County, Illinois, as provided for in Local Improvement Ordinance Number 173, Series of 1915, of said City of Dixon will be received by the Board of Local Improvements and the Council of the City of Dixon, Lee County, Illinois, at the City Clerk's Office in the City of Dixon, until ten o'clock in the forenoon, on Tuesday, the 9th day of November, A. D. 1915, and will be publicly opened by the Mayor of said City of Dixon, (who is the President of the Board of Local Improvements) at a joint meeting of said Council and Board of Local Improvements to be held in the Council Chamber in the City Hall in said City of Dixon at ten o'clock in the forenoon of said day.

Said bids shall be opened by the Mayor in the presence of a majority of the Council and shall remain on file in the Mayor's office and be open to public inspection for at least forty-eight hours, before an award of said contract is made to any competitive bidder. After the expiration of forty-eight hours, as stated above, said Council and Board of Local Improvements shall meet in joint session and determine the most advantageous bid for the City and publicly declare the same.

The work for which the said tenders are invited is the construction of 825.5 cubic yards of excavation; 333 cubic yards of probable rock excavation, extra; 960 linear feet of 8" sewer pipe laid; 576 linear feet of 6" house connection pipe, laid; 2 manholes, 3" inside, with cast iron covers and iron steps; complete; 1 flushing tank with cast iron top, flushing siphon, feed pipe with automatic cock and iron steps inside and outside lamphole as provided for in Local Improvement Ordinance No. 173, Series of 1915 of the City of Dixon, Illinois.

Each bid for this improvement must be accompanied by certified check or cash for an amount not less than ten per cent of the aggregate of such proposals. All certified checks must be drawn on some responsible bank and must be payable to the order of the President of the Board of Local Improvements in his official capacity. No bids will be considered unless accompanied by such certified check or cash.

Said cash or certified checks will be held by said Board of Local Improvements until all the bids have been canvassed and the contract has been awarded and signed. The return of such check or cash to the successful bidder being conditioned upon his appearance within fifteen (15) days after having been notified of the award having been made to him or them accompanied by his or their bondsmen and executing a contract with said Board of Local Improvements for the completion of the work so awarded and giving a bond satisfactory to the Board of Local Improvements and Council of the City of Dixon.

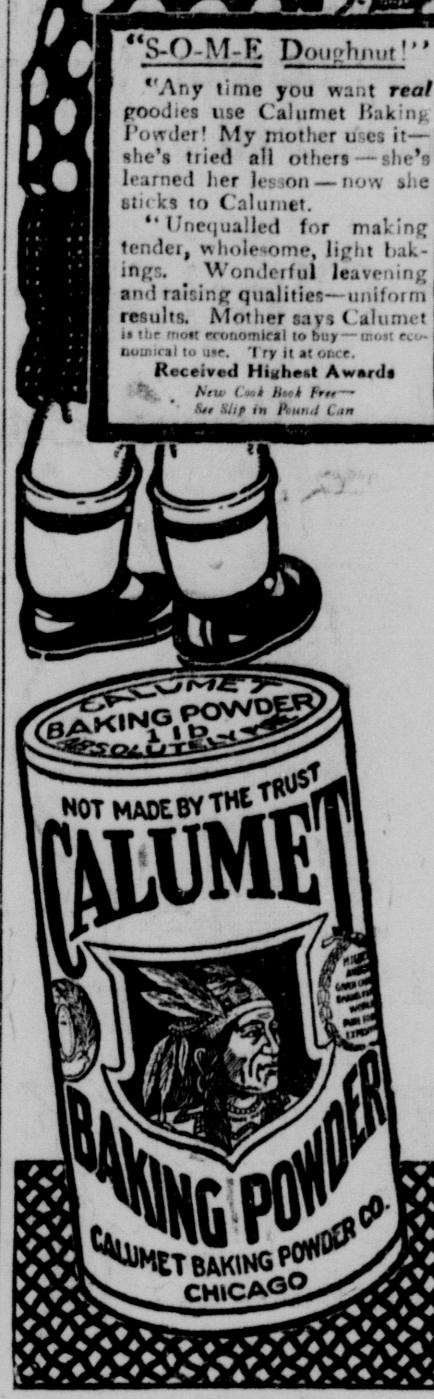

A bond of Three Thousand Dollars will be required conditioned for the fulfillment of the contract in accordance with the ordinance and specifications and to the satisfaction of the said Board of Local Improvements and Council of the City of Dixon.

All proposals must be made on blanks, which will be furnished bidders at said City Clerk's Office.

Payment for the work for which said tenders are invited is to be made in cash or bonds, payable when the contract is completed and the work accepted by the Board of Local Improvements and Council of the City of Dixon, bonds to draw interest at five per cent. No bids will be considered unless the party making it shall furnish evidence satisfactory to said Board of Local Improvements and Council of the City of Dixon of his experience and ability in this class of work and that he can control sufficient capital to enable him to successfully prosecute the same in case the contract shall be awarded to him.

Bidders will examine the ordinance, maps, plats, plans, profiles and specifications and also the locality in which said work is to be done and judge for themselves of all the circumstances and surrounding conditions affecting the cost and nature of the work. Specifications for said work are on file in the Mayor's office, and may also be seen at the Office of the City Clerk in the City of Dixon, from and after this date.

The person to whom the contract for the construction of said improvement is awarded, shall, before the commencement of work under such contract, provide ample, suitable and valid insurance policies to provide against and pay all claims for injury

to persons or property arising under the laws of the State of Illinois, in the prosecution and construction of said work.

The Council and Board of Local Improvements reserve the right to reject any and all bids.

Dated at Dixon, Illinois, this 27th day of October, A. D. 1915.

SIGNED, THE COUNCIL AND BOARD OF LOCAL IMPROVEMENTS OF THE CITY OF DIXON.

## TEACHER TELLS OF WORK IN CO. SCHOOLS

(Continued from Page 2)

willing to give them the training which will enable them to cope with these problems successfully.

Great captains of industry, professional men and those who are giving their attention to various practical lines have recently raised the great criticism on the public schools because, as they claim, the things taught in school fail to empower the student to meet the demands of business life. Even our strongest advocates of the cultural doctrine are ready to admit that these criticisms are not without foundation. Modern educators are beginning to see that too many of our school problems have no vital connection nor practical application in life, so in recent years there has been a great wave of enthusiasm sweeping over the country for a more utilitarian policy in our public schools.

Rather than contrive mathematical conundrums, or enigmas of language, which serve only as mental gymnastics in the class room, it is just as cultural and far more economic to take some of the great problems of the community, and through typical projects, teach the child how to investigate and find solution to the things which they will soon be called upon to control.

As soon as a student leaves school he ceases to make problems for the sake of keeping himself busy in their solution. The process is reversed and he is not only brought face to face with ready made problems calling upon him for a solution, but is surrounded beyond escape by a class of real problems which demand the full exercises of his capabilities, and an unsuccessful meeting.

A GAL 8  
ing of these and an incorrect solution may mean his loss of social standing, professional failure, financial reverse or moral disgrace.

The fact that all students, regardless of ability and condition, will in a very few years, be compelled to undergo this adjustment makes it unnecessary to make any argument to show why vocational training should constitute a vital portion of the school curriculum.

Manual training, Agriculture and

Home Economics, which can all be worked out so beautifully, offer a most excellent opportunity of employing the child's natural interests and the inherent disposition toward activity in working out projects which are typical of the great problems of life.

Society demands that the boy be taught proper care and respect for neat and orderly arrangement in his home life. An unlimited amount of advice on this subject may be of little use. However, if the boy is given the experience of making some of the practical things such as coat hanger, broomholder, or other equipment required to carry out these the

ories, he is practically sure to have the ideas everlastingly instilled into his nature. The boy who makes and uses a corn tester will have a better comprehension of seed testing than a boy who merely reads of the value of seed selection.

Manual Arts, in any respect, is a special training of the senses of sight, touch, and muscular perception, and thru these senses the mind receives its best training. For while the eye is being trained to accuracy and the hand to manipulation the mind is being trained to observation, attention, comparison, reflection and judgment.

In other words it is a development of the manual and visual activities of the child. It satisfies and cultivates the child's instinct for activity and excites pleasure in the acquisition of skill. Therefore its aim is educational.

Then also manual work confers a marked benefit upon the school room. It attracts and delights the children, because here they find food for the impulsive need of activity and relieves school of some of its weariness.

One more word, the essence of manual lies in the practice and not in the production, whose material value is easily estimated, while the practice cannot be valued in dollars and cents, but has a higher value, or in other words, is priceless.

Some object to the cost—why my friends, the cost of equipment and material when compared with the educational values derived from this practical work is scarcely anything, and should like to venture to say, nothing.

I have had the privilege of working up a course in my school and personally, I feel that every teacher should see to it that his or her school board make some provisions, or better still, that our school board see to it, when engaging a teacher that he or she will take up this work, weaving it in with the text work and thereby reap the wonderful values it has in store for all who are willing to accept. Thank you.

Drunk, Falls Dead, Prisoners Escape.

Canton, Ill., Oct. 29.—When taken into custody by Chief of Police Mills, charged with being intoxicated here, Deputy Sheriff Stephen Johnson uttered a few words of remonstrance, fell to the sidewalk and was dead in ten minutes. The deputy had in his custody two prisoners, both of whom escaped.

## IN STERLING LIVES A GIRL

Who Suffered As Many Girls Do—Tells How She Found Relief.

Sterling, Conn.—"I am a girl of 22 years and I used to faint away every month and was very weak. I was also bothered a lot with female weakness. I read your little book 'Wisdom for Women,' and I saw how others had been helped by Lydia E. Pinkham's Vegetable Compound, and decided to try it, and it has made me feel like a new girl and I am now relieved of all these troubles. I hope all young girls will get relief as I have. I never felt better in my life."—Mrs. JOHN TETREAULT, Box 116, Sterling, Conn.

Massena, N. Y.—"I have taken Lydia E. Pinkham's Vegetable Compound and I highly recommend it. If anyone wants to write to me I will gladly tell her about my case. I was certainly in a bad condition as my blood was all turning to water. I had pimples on my face and a bad color, and for five years I had been troubled with suppression. The doctors called it 'Anemia and Exhaustion,' and said I was all run down, but Lydia E. Pinkham's Vegetable Compound brought me out all right."—Miss LAVINA MYRES, Box 74, Massena, N. Y.

## Young Girls, Heed This Advice.

Girls who are troubled with painful irregular periods, backache, headache, dragging-down sensations, fainting spells or indigestion, should immediately seek restoration to health by taking Lydia E. Pinkham's Vegetable Compound.

LIGHTS PIPE; BURNS CROP

Boy Carelessly Throws Match Aside; New School House Barely Escapes.

Carlinville, Ill., Oct. 29.—Sylvian, the son of James Mitchell, who resides in Honey Point, was shucking corn in a field and struck a match to light his pipe. He threw the match to one side without extinguishing it, and the blaze quickly caught in some dry grass.

The fire spread rapidly over the field, burning in its path the corn crop, a hay stack, considerable fencing, and it was only with the united efforts of the neighbors that the flames were kept from the new Honey Point school house.

GIRLS! GIRLS! TRY IT!  
STOP DANDRUFF AND  
BEAUTIFY YOUR HAIR

Hair stops falling out and gets thick, wavy, strong and beautiful.

Your hair becomes light, wavy, fluffy, abundant and appears as soft, lustrous and beautiful as a young girl's after a "Dandering hair cleanse." Just try this—moisten a cloth with a little Dandering and carefully draw it through your hair, taking one small strand at a time. This will cleanse the hair of dust, dirt and excessive oil and in just a few moments you have doubled the beauty of your hair.

Besides beautifying the hair at once, Dandering dissolves every particle of dandruff; cleanses, purifies and invigorates the scalp, forever stopping itching and falling hair.

But what will please you most will be after a few weeks' use when you will actually see new hair—fine and downy at first—yes—but really new hair growing all over the scalp. If you care for pretty, soft hair and lots of it surely get a 25-cent bottle of Knowton's Dandering from any druggist or toilet counter, and just try it.

**Dramatic Notes**

THE PRINCESS

Tonight the Princess Theatre will show a three reel Reliance feature with Ralph Lewis in the leading role entitled "On the Bread Line," a stirring drama of a man's fight for existence. Ralph Lewis takes the lead in this picture. It will be of interest to everyone as he is the star of "The Birth of a Nation," now playing in Chicago and everyone is familiar with his work. This feature is one in which a newly married man and wife go to the city and find nothing but misery and poverty. Each detail of the story is splendidly portrayed by Ralph Lewis and Frances Billington. The other reel for the evening is the Mutual Weekly, showing the latest scenes from the war zone together with everyday events

FAMILY THEATRE.

The following vaudeville bill will open at the Family tonight for the next three days: Homer & DuBaird, singing and talking novelty; Three Astrals, comedy acrobats; Mark Dale, nut comedian, and McCarty, Stewart & Co., three people novelty sketch. The picture this evening will be William Farnim, the \$100,000 actor in Roy Norton's virile mining romance, "The Plunderer," a story of love and the lure of yellow gold, will be the feature at the Family theatre tonight. Four big acts make up the vaudeville bill. Matinee every afternoon except Sunday at 2:30. Night shows at 7 and 9.

SPECIAL ASSESSMENT NOTICE.

Notice is hereby given to all persons interested that the City of Dixon, did, by Local Improvement Ordinance Number 166, Series of 1914, passed by the Council of said City, on the 4th day of May, A. D. 1914, and approved by the Mayor of said City on the 4th day of May, A. D. 1914, order that cement concrete curbing and vitrified brick or block pavement with asphalt fl'r, be constructed on North Crawford Avenue in the City of Dixon, Illinois, and that said pavement was constructed in accordance with law and the provisions of said ordinance, and that said ordinance is now on file in the office of the City Clerk of said City of Dixon.

That pursuant to said resolution, the Council of the City of Dixon, on the 21st day of September, A. D. 1915, passed an ordinance providing for the levy of a supplemental assessment to pay a deficit arising from the construction of vitrified brick or block pavement and cement concrete curbing on North Crawford Avenue from the north line of East Fellows Street to the north line of Section 32, Township 22, Range 9, in the City of Dixon, Illinois, as provided in said Local Improvement Ordinance, Number 166, Series of 1914, of the City of Dixon, Illinois, which said ordinance, providing for said deficit, was duly approved by the Mayor of the City of Dixon on the 21st day of September, A. D. 1915, a copy of which ordinance is now on file in the office of the City Clerk of the said City of Dixon.

The total deficit in the original assessment under said Local Improvement Ordinance, Number 166, Series of 1914 is \$2812.34; total amount assessed against the property benefited by said improvement is, \$1479.75 and the total amount assessed against the City of Dixon is \$1332.59.

Said assessment is payable in nine (9) annual installments bearing interest at the rate of five (5) per cent per annum, according to law, until paid.

Dated at Dixon, Illinois, this 26th day of October, A. D. 1915.

TELEGRAPH SIXTY-FIFTH YEAR

DIXON ILLINOIS FRIDAY, OCTOBER 29 1915

ASSOCIATED PRESS DISPATCHES

THE PAPER  
THAT GOES  
HOME.

## RUSS TROOPS SAIL FOR BULGAR SHORES MAY RELIEVE SERBS

LARGE FORCES CONVOYED BY  
FLEET LEAVE ODESSA AND  
SEBASTOPOL.

## CONSIDER BRITISH WAR COUNCIL

Body Of Three Men To Have Supreme  
Power Is Now Being  
Considered.

(Associated Press)  
Large contingents of Russian  
troops, convoyed by a strong squad-  
ron, sailed from Odessa and Sebasto-  
pol today for the Bulgarian coast,  
Sofia dispatches.

### French at Strumitz

Unconfirmed reports say French  
are firmly established at Strumitz.  
The Bulgarian seaports which  
were recently bombarded by the Rus-  
sian ships, suffered very heavily.

### Position Is Desperate

The position of Serbia is daily be-  
coming more desperate. Nish is  
threatened by the Bulgars while the  
Austro-Germans are gradually open-  
ing the way to the great arsenal at  
Kraguyevatz. Romes reports the  
Serbian capital has been removed to  
a certain point.

### Italians Repulsed

Vienna states that Italian attacks  
have been repulsed after a sanguin-  
ary struggle. Along other fronts se-  
vere fighting is reported.

### Consider War Council

The advisability of creating a  
British War Council, to consist of  
the Premier, War Secretary and  
First Lord of the Admiralty, which  
shall have supreme direction of the  
war, is being discussed.

A fierce three-day battle preceded  
the capture of the Serbian strong-  
hold, Pirot, which had barred the  
way to Nish, says a Sofia telegram.  
The Bulgars gained possession of  
huge stores of war materials.

### Destroy Turk Trenches

Constantinople reports that Turk-  
ish trenches near the tip of the Gal-  
lipoli peninsula have been destroyed  
by the allies' artillery, but that the  
Turks have blown up an enemy am-  
munition store.

### French Make Gains

Paris reports the French have  
made further gains in the Artois re-  
gion.

### British Troops March.

British troops have been ordered to  
the Serbian front. A junction with the  
Serbs has been effected, according to  
a Saloniki dispatch.

### Sweeper Is Sunk.

London reports that the British aux-  
iliary sweeper Hythe was sunk in a  
collision with a British warship off  
the Gallipoli peninsula, and that 100  
men are reported missing.

### Germans Claim Progress.

Berlin claims that the Teuton pro-  
gress in Serbia continues, and that a  
thousand Serbs and three cannon  
have been captured.

## BATTLE NEAR ACROSS THE BORDER

Villa's Men Marching On Carranza's  
Stronghold—U. S. Guards.

### (Associated Press)

Douglas, Ariz., Oct. 30—General  
Villa's army has resumed its march  
on Agua Prieta, the Carranza strong-  
hold, across the border from Douglas.  
United States cavalry and machine  
guns have been placed on guard at  
the Slaughter ranch, 16 miles east of  
here, which is across the border from  
the advance guard of Villa's cavalry.

## WILL MOVE PRAIRIEVILLE STORE

Buildings To Be Moved To East To  
Provide Storage Basement.

Bardell's Lincoln store at Prairievile  
is to be moved about twenty feet  
east of its present location, the  
change being made to provide a cold  
storage basement. The excavation for  
the basement has been completed and  
the foundation will probably be fin-  
ished next week, when the store will  
be moved.

## FUNERAL SUNDAY AFTERNOON

Funeral services of the late Mrs.

## Stranger Suffering With Paralysis Was Found At Roadside

Aged Man, Giving Name As  
Charles Evans, Found In  
South Dixon

An aged man was found yesterday  
by the roadside near the Lee east-  
man farm in South Dixon township  
and Sheriff Phillips was notified and  
he brought the stranger to this city.  
The man gave his name as Charles  
Evans and said he had come to this  
city from Cedar Rapids, Iowa. He had  
spent the previous night in the wood-  
shed at the school house near the  
Eastman farm. The man was very  
weak and complained of being ill. Dr.  
Parker was called to examine the man  
and found that he was suffering from  
a paralytic stroke. The man claims he  
has no immediate relatives and it is  
likely that he will be sent to the coun-  
try home, at least for a time.

## MORE WIRE THEFTS FROM I.C. RAILWAY

ROBBERIES SIMILAR TO THE ONE  
SOUTH OF DIXON STAGED  
REGULARLY.

## CARS BROKEN INTO ALSO

Illinois Central special agents and  
detectives throughout this section are  
busy in an effort to capture a gang of  
thieves who have been working in this  
part of the state for a month. Nearly  
every night reports are received at  
railroad headquarters of robberies in  
various parts of northern Illinois. The  
thieves have been making a practice of  
stealing copper wire, automobile  
supplies and accessories, tools and  
other articles which can be easily car-  
ried away.

Several nights ago about a quarter  
of a mile of the company's copper  
wires were cut down near Elmwood  
and the robbers escaped before their  
work had been discovered. A short  
time ago a similar stunt was staged  
near Dixon, and now comes the report  
that the wire has been taken all  
along the company's right of way in  
northern Illinois. The robbers work in  
different localities almost every night  
and up to the present time have been  
successful in eluding detectives and  
police officers.

Besides stealing wire they also gain  
boot by breaking into freight and ex-  
press offices and carrying away small  
articles which can be readily tucked  
away by them. It is estimated that  
several thousand dollars worth of  
goods have been taken from the rail-  
road company by the gang.

Special Agent W. E. Briggs of the  
Illinois Central has been active in the  
hunt for the crooks during the past  
five weeks and while he has made no  
definite statement regarding the work,  
it is believed that he is in possession  
of clues which may lead to the arrest  
of several of the guilty parties.

## TO BE LARGEST CONSISTORY CLASS

Coming Meeting At Freeport Will Be  
Record Breaker.

The coming meeting of Freeport  
consistory promises to be a record  
breaker in regard to the number of  
candidates taking the degree. Already  
the consistory has accepted 106 can-  
didates and a number will be added  
to the list before the work begins. It  
will be the largest class that has ever  
taken the degrees in Freeport Con-  
sistory.

## M.W.A. FAIR CLOSES TONIGHT

Bigest Crowd of Week Is Expected  
To Attend This Evening.

The M. W. A., R. N. A. and For-  
esters' bazaar, which has been enter-  
taining large crowds each evening  
this week at Rosbrook hall, will close  
this evening, and it is anticipated that  
the largest crowd of the fair will at-  
tend. Music for the dancing tonight  
will be by the Marquette orchestra.

## ATTORNEY DUZAN IS FOUND GUILTY FRIDAY OF EMBEZZLEMENT

JURY RETURNED ITS VERDICT  
AGAINST OREGON LAWYER  
AT MIDNIGHT.

## IN SETTLEMENT OF AN ESTATE

Attorney Was Charged With Having  
Appropriated Money Of  
His Client.

A jury in the circuit court at Oreg-  
on Friday night found Attorney Bert  
S. Duzan guilty of embezzlement as  
charged in an indictment returned by  
the grand jury. The jury went out on  
Friday afternoon and did not reach a  
verdict until midnight.

The case has attracted much atten-  
tion throughout the northern part of  
the state and the outcome has been  
closely watched. Attorney Duzan had  
been retained by Adelaide Petrie, ex-  
ecutrix of the last will and testament  
of Alice Petrie, deceased, to act as her  
attorney in settling up the estate.  
During the course of the business af-  
fairs it is alleged some \$900 came into  
his hands and he was charged with  
having converted the money to his  
own use and it was on these grounds  
that he was indicted by the grand  
jury for embezzlement. The case was  
taken up on Wednesday of this week  
and Attorney John E. Erwin of this  
city was retained by Mr. Duzan to de-  
fend him. The defendant asked that  
the case be tried before an outside  
judge and so Judge Sulzer of Kane  
county was called to sit on the case.  
Duzan has been practicing law in Ogle  
county for the past six years.

## MAY FILE COMPLAINT SOON ON CROSSINGS

STATE UTILITIES COMMISSION TO  
BE ASKED TO SEND  
ENGINEER.

It is probable that complaint will  
soon be filed with the state utilities  
commission regarding several grade  
crossings in this city, and Assistant  
Engineer P. R. McCann of the com-  
mission will be ordered here to investi-  
gate. The crossings which are consid-  
ered as a menace to life are the North  
Galena avenue and Seventh street  
crossings of the Illinois Central road  
and the Nachusa avenue crossing of  
the Northwestern road and belt line  
crossings on West Third street and  
on Galena avenue at the south end of  
the bridge. All the crossings present  
difficult problems to remedy, though  
much traffic on the Seventh street  
crossing of the Illinois Central road  
could be relieved by opening Fifth  
street under the tracks, and this  
could be done at a small expense.  
Several hundred school children use  
this crossing daily on their way to  
school.

## BRISCOE'S OPENING ATTRACTIVE

Display of Furnishings at "Toggery"  
Aroused Interest.

The display of gents' furnishings  
arranged in the show window at the  
opening of Briscoe's Toggery shop in  
the opera house block today has at-  
tracted much favorable comment from  
passers-by. All the latest styles  
of hats, shirts, neckwear and general  
furnishings are on display. The store  
will cater to the wants of young men  
and will be abreast of the times in  
point of style.

## BOYS PREPARE FOR POLICE COURT

Officers Have Names of Lads Who  
Have Written On Walks.

Within the past few days a number  
of young boys and girls have been  
writing on the walks in different parts  
of the city and in some instances on  
residences and windows, with chalk.  
Some of the words were not such as  
are found in the Sunday school les-  
sons and complaint has been made to  
the police department and they have  
been furnished with the names of sev-  
eral of the offenders. If the practice  
is not stopped once some of the  
youngsters are liable to be severely  
punished.

Washington, Oct. 30—Secretary of  
State Lansing announced today that  
the navy department has identified  
a fragment of the engine of war which  
sank the Allen liner Hesperian as  
part of a torpedo.

Germany has persistently denied  
that the Hesperian was torpedoed.

Secretary Lansing said the result of  
the investigation which the navy de-  
partment conducted will be commun-  
icated to the German government di-  
rect, or to Count Bernstorff, but the  
secretary volunteered no information  
as to what form the communication  
might take.

Two Americans were passengers on  
the Hesperian, which also carried  
wounded Canadian soldiers who were  
traveling as passengers.

## BIG CAMPAIGN FOR MEMBERS OF Y.M.C.A. WILL START MONDAY

DIRECTORS OF DIXON ASSOCIA-  
TION DECIDE TO BEGIN  
NEXT WEEK.

## STATE SECRETARY WAS PRESENT

Praised Local Workers—Indebted-  
ness Has Been Reduced  
To \$6,000.

The board of directors of the Y. M.  
C. A. and several invited members of  
committees held a meeting Friday ev-  
ening at the building and listened to  
an address by K. A. Shoemaker of  
Chicago, state secretary of Y. M. C. A.  
work. He spoke of association work  
and what is being accomplished over  
the state and nation. He referred to  
the work being done by the local as-  
sociation in glowing terms and said  
they had the reputation as being  
made up of an aggressive crowd of  
willing workers.

It was decided at the meeting to in-  
augurate a membership campaign on  
next Monday to bolster up the mem-  
bership in the association. It is two  
years since the membership campaign  
was put on for the purpose of liquidat-  
ing the debt on the building as well  
as to meet the current expenses. Since  
that time the debt on the building has  
been decreased from \$15,000 to \$6,  
000. The present campaign will not  
be to raise money for indebtedness,  
but simply to sustain the running ex-  
penses of the association and make it  
possible to provide instruction and en-  
tertainment for the boys and young  
men. In order to meet the required  
expense the association should have a  
standing membership of 500. The di-  
rectors hope to add 250 new members  
to the association in the next few  
weeks.

James Blackburn, driving one of  
the cars from Christ Blackburn's au-  
toville, was headed west on First  
street and had stopped at the intersec-  
tion to allow a street car to "Kis-  
charge" passengers. Dr. H. A. Bremer  
and wife of Ashton were coming up  
Galena avenue in a Ford car and the  
doctor was watching the street car and  
had not noticed that Mr. Black-  
burn had stopped his machine until  
he was right upon it, too late to stop  
his car and avoid a collision. The  
Ford crashed into the Paige car with  
considerable force bending the axles  
on the Ford as well as breaking the  
windshield. A piece of broken glass  
struck Mrs. Bremer in the face, in-  
flicting a slight abrasion. The Paige  
car was not damaged.

## THE HORSE.

The horse is a quaint quadruped, go over very rough country and did with horny hoofs on his feet, a beautiful horsehair tail weather. He was of about 1400 and two-foot long runabout power and his fuel was oats and grain. He was adorned at which were fed him in a nosebag, instead of from a carburetor. He was both air and water cooled and was controlled by a bit throttle and whip which served the purpose of a spark advance. He changed from low to high speed or to reverse very readily, merely by command of his driver—which is a point not yet reached by the most ingenious of automobile makers.

Nowadays horses are not common and only the large cities possess horse carriages where the animals are stored and kept in running order. Once however, they were very plentiful and were put to a great variety of uses. Years ago horses were used to haul motorless cabs and trucks and street cars and drays. They were also ridden and as they have no running boards it was a novel sight to see the equestrians clambering aloft onto raw-boned horses padded with leather saddle and guiding the patient beasts about with leather reins instead of steering wheels.

Moreover horse races were held in all parts of the country at which vast multitudes gathered and made bets. Oddly enough the people did not bet on who would be killed but on what horse would win. The races were intensely tame as the animals never skidded or threw a tire or broke their steering gears and the swiftest of them did not attain a speed of forty miles an hour.

The horse was in fact, the automobile of former times. He had a sixty-inch wheelbase, or footbase rather, and rode exceedingly hard, but could

## Tabulation Of Records Of Big League Teams Is Of Interest

New York, Oct. 30—The records made by the major league clubs in runs, hits, errors and men left on the bases for the season just closed furnish data for interesting study. In the National League the Philadelphia club, which won the pennant, made next to the largest number of runs with the smallest total of hits. The Phillies also had fewer men left on bases than any other club and made next to the least number of errors. The Boston Braves were third in run making, seventh in hitting, first in number of stranded runners and made less errors than any of their rivals. St. Louis made the greatest number of runs, Cincinnati led in hits, Chicago in errors and Boston in runners left.

## WILLARD-MORAN BOUT NOT VERY PROBABLE

HOWEVER, MORAN HAS WON RECOGNITION BY DEFEATING COFFEY.

(Associated Press)

New York, Oct. 30—Frank Moran, through his decisive defeat of Jim Coffey, has crowded a bit nearer to a bout with Jess Willard. That the titleholder will agree to meet Moran in a ten round battle with or without decision is quite unlikely, Willard by no stretch of imagination can be termed a whirlwind fighter. In order to win on points or knockout inside of 20 rounds the conqueror of Johnson would have to travel at a pace far in excess of anything he has shown to date.

In a 20 or 25 round contest Willard would be in a position to wear down his opponent in the slow, deliberate manner characteristic of his fighting methods. Some idea of Moran's ability over a distance route can be gathered from the fact that he fought twenty rounds with Jack Johnson in Paris on July 4, 1914. Though he lost the decision on the points the game would have been true of Willard had his battle with Johnson in Havana last April been limited to a similar number of rounds.

## EAST AND WEST MAY BATTLE

Everett, Mass., and Detroit High School Teams Considered.

(Associated Press)

New York, Oct. 30—The tentative plans for a post-season football game between the teams of Everett (Mass.) high school and the Central high school of Detroit are under consideration. Judging from the records of these two schoolboy elevens last season such a contest should produce play of a most interesting character. Both teams played a remarkably fast game in 1914 and their work to date has been on a par with that of last year. Everett won all thirteen games during the season of 1914, running up a total of 600 points to opponents' zero. The defeat of the Oak Hill (Ill.) high school team by a score of 80 to 0 was the feature of Everett's schedule.

## SALISBURY LED ILLINOIS TEAM

Dixon Marksman Made Good Record With Rifle Team in Match.

Frank Salisbury of Dixon, who was the only non-commissioned officer on the Illinois National Guard rifle team which participated in the national shoot at Jacksonville, Fla., arrived home yesterday and since his return he has been receiving the congratulations of his friends. The Dixon man ranked exceedingly high among the hundreds of marksmen at the range, and he was high man in the Illinois team at rapid fire.

## PLAYING IN LASALLE

The Dixon Union high school football team, accompanied by a number of students and members of the faculties of the schools, went to LaSalle this morning and this afternoon are playing the LaSalle-Peru high school team.

Mrs. Irving Hoefer is visiting friends in Freeport.

## WELLS HAS SHADE ON WHITE

Newspaper Men Except Chicagoans Say Britisher Won Bout.

MILWAUKEE, Oct. 30.—Another newspaper decision difference leaves the outcome of the fight between Matt Wells, the British lightweight title aspirant and Charlie White of Chicago in doubt for with some critics calling it Wells' fight by a shade, the Chicago critics at the ring side declared it a good draw. Wells put up a hot fight and carried the battle to the Chicago man throughout.

Wells landed the most clean punches but Charlie White was strong in close quarters work.

## Quake at Asheville, N. C.

Asheville, N. C., Oct. 30.—Two distinct earth shocks were felt here at 12:35 in the morning. Two shocks came about two minutes apart and lasted only a few seconds each. Houses were shaken and many people were aroused from sleep.

## ROCHELLE

ROCHELLE, Oct. 29.—The annual reception of the C. L. S. C. of the hall in the Grove was held in the new Turkington hall, last night with about 125 in attendance.

The members of the alumni passed through the golden gate, an arch of yellow and green flowers with a golden gate attached. As the two graduates, Mrs. Mary Cawley and Miss Mary Lyon, reached the golden gate they were given an address of welcome by the president, Mrs. Geo. McMann, to which they made brief responses, and were presented with their diplomas by Rev. Otjen of Steward, a former graduate. After this ceremony they passed through the golden gate.

The president gave a brief history of the Rochelle chautauqua circle after the members were seated they were favored with a vocal solo by Miss Marion Tilton and responded to the roll call of the secretary, Mrs. W. J. Southworth. Thomas Barney Thompson, of Rockford, was then presented and gave one of his scholarly addresses which was greatly enjoyed by the society women.

Mrs. Thos. G. Southworth played a beautiful piano solo after the address of the evening which was followed by a social hour and light refreshments.

## KILLED WILD GEESE

Three wild geese were shot on an island in Rock river opposite Grand Detour the other afternoon. The lucky hunters were Lincoln S. Cool, who bagged two of the birds, and John Page who shot the other one. Wild geese on Rock river have become quite a rarity.

Miner Found With Head Severed. Ottumwa, Ia., Oct. 30.—C. Cedarine, aged twenty-two years, was found with his head severed in mine No. 5 at Hiawatha by fellow-workmen. He had fallen off a car which passed over him in the mine entry.

## VETERAN KILLED BY AUTO.

Mount Pleasant, Ia., Oct. 30.—Henry Saint, veteran of the Fourteenth Iowa infantry, aged seventy-five, was knocked down and run over by an automobile. He died later, never having regained consciousness.

## DEMENTTOWN DOINGS

The wrist watch is a great little traveler. It traveled from the wrist to the ankle and is now back as far as the knee.

Mrs. Potter Palmer of Chicago— you've heard of her—is "roughing it" out in Wyoming. She has only four servants and two automobiles with her.

## Goose Hollow Letter.

Anse Frisby asked Hank Tumms what he thought about this here Mexican imbroglio and Hank said as he didn't know nothing about it cause he hadn't never tasted it.

Elmer Spinks of our village expects to save a lot of money by leavin' for parts unknown just about a week before Christmas.

## The Slam Direct.

Overheard in a Dementtown coal dealer's office)

"Have you any imported coal? No? You know we're English and we always heard that most of the coal used in the United States came from England. I thought I'd like to have some imported coal, as your coal, like everything else over here, is no good."

## Note On a Certain Lady

I'm acquainted with a lady fair, I think you've met her, too; She "never has a thing to wear"— Does that sound strange to you?

But still, "without a thing to wear," She goes out in the storm; And strange to say, this lady fair Somehow keeps nice and warm.

It seems, "without a thing to wear" She'd be afraid some day Somebody would a warrant swear Because she went that way.

## FOOTBALL TODAY.

The freshmen football team of the North Dixon high school and the team of the grades of North Dixon are engaged in a game at Athletic park this afternoon.

Mrs. Thos. G. Southworth played a beautiful piano solo after the address of the evening which was followed by a social hour and light refreshments.

## Dramatic Notes

### AT THE PRINCESS

Tonight the Princess theatre has on its bill a two reel Mustang feature entitled "Two-Spot Joe," with Anna Little and Forrest Taylor in the leading roles, a crackerjack two reel western drama chuck full of brilliant vivid action with plenty of thrills and excitement. The other pictures "Bill, the Hill Bum," a Beauty comedy with Webster Campbell and Neva Gerder in the leading roles, a splendid comedy of love and intrigue. One other good reel will also be shown.

For Sunday night Manager Slothrop has secured a two reel Reliance feature entitled, "The Ever and Bessie Buskirk in the leading roles, the romance of a Puritan maid and a Spanish buccaneer. The other Living Isles," with Eugene Pallette pictures are "The Corsican Brothers Up to Date," with Joe Burke and W. G. Don in the leading roles, the laughable escapades of a fat ghost. The last reel is a Beauty comedy entitled "Mother's Busy Week," with Webster Campbell and Neva Gerder in the leading roles, the story of a strenuous excursion to the beach.

### FAMILY THEATRE

The following excellent bill opened at the Family last evening for three days and consists of Homer & DuBard, singing and talking novelty; Three Astrellas, comedy acrobats; Mark Dale, nut comedian and McCarty, Steward Co. All four acts are exceptionally good and were greatly enjoyed by two large crowds. The picture of "The Plunderers" with Wm. Farnum, was a masterpiece both as to plot and its production. For this evening the six reel drama of "The Closing Net" will be presented and on Sunday night "Her Shattered Idol" a six reel drama with Mae Marsh will be the bill.

### POWERS THEATRE, CHICAGO

Seldom if ever has a player received such praise as that accorded Mr. Wm. Faversham, now playing "The Hawk" at Powers theatre, Chicago. "Great" is only one of the mild adjectives which were used by the reviewers, and the praise was for the play as well as the playing. There follows a composite notice which gives verbatim excerpts of the opinions of critics. Mr. Faversham will be at Powers for a limited stay as his engagement ends there Saturday night, Nov. 13th.

"William Faversham's return to Chicago at this particular time" says

## NIELSEN SANG 3000 SONGS IN ONE TOUR

PRIMA DONNA WHO APPEARS HERE NOV. 4 MADE GREAT RECORD

### "MAVOURNEEN" WAS FAVORITE

Miss Alice Nielsen who spent the summer on a concert tour that began in Florida, extended over 14 states, and ended in Chicago, has broken all records. For one thing she sang consecutively 118 times in as many places and on as many days, barring Sundays, which she used for rest. She sang approximately 3,000 songs. Miss Nielsen went to many places never before on a prima donna's map.

"In the smallest place I visited, I had one of the biggest audiences," said Miss Nielsen. "This was Tipton, Ind. The women of the place had decorated the stage marvelously. Do you know, it was a revelation to me to find that everywhere there are many lovers of music. Of course, I encountered some extremes of temperatures. In Manistee, Mich., in the middle of August, I could see my breath as I sang, and people had all they could do to keep themselves and their children from freezing in the draught-swept tent. I nearly froze myself. Then next night, in Muskegon, Mich., I found a torrid temperature.

Mr. Bryan spoke the week I was in Chicago, but we did not appear the same night. No, it did not make me feel like a yodeler.

"In Chattanooga I had 264 song requests and sixty-three of them were for 'Kathleen Mavourneen.' What surprised me most was in the recollection so many people seemed to have of my days in comic opera. In many places they wanted songs from 'The Fortune Teller' and 'The Singing Girl.' I am going to be a member of the Metropolitan Opera Company this winter for the first time, and I am looking forward to it.

"Was my tour a financial success?" Well I have signed a contract on another tour. I was so fortunate as not to have a cold on the trip. Now, don't you think that is really wonderful for a prima donna?"

## RAYMOND WON TWO IN Y.M.C.A. TOURNEY

ROGERS TEAM ABLE TO TAKE BUT ONE GAME FRIDAY EVENING.

In the Y. bowling tournament Friday evening Capt. Raymond's team had little difficulty in taking two out of three games from Rogers' men. After making a good lead in the first two games they laid off in the final and this game was won by their opponents by 28 pins. Scores:

## ITALY'S OFFENSIVE GROWS

AUSTRIAN WAR OFFICE ADMITS LATINS ARE ATTACKING FURIOUSLY.

London, Oct. 30.—Italy's new offensive, interpreted here as her plan to help relieve the pressure against the Serbs, is officially admitted by Vienna to be well under way. On nearly every front of the Austro-Italian battle line Italians are raking the Teuton positions with shells and shrapnel, while great bodies of troops, hurled forward time and time again, are "attacking furiously," the Vienna war office declares.

The Austrian war office asserts all Italian attacks thus far have been repulsed, but gives no hint that the Italian offensive shows any sign of weakening.

## TEACHING FIRE PREVENTION

10,000 Readers Sent Out to Schools by Illinois Fire Marshal.

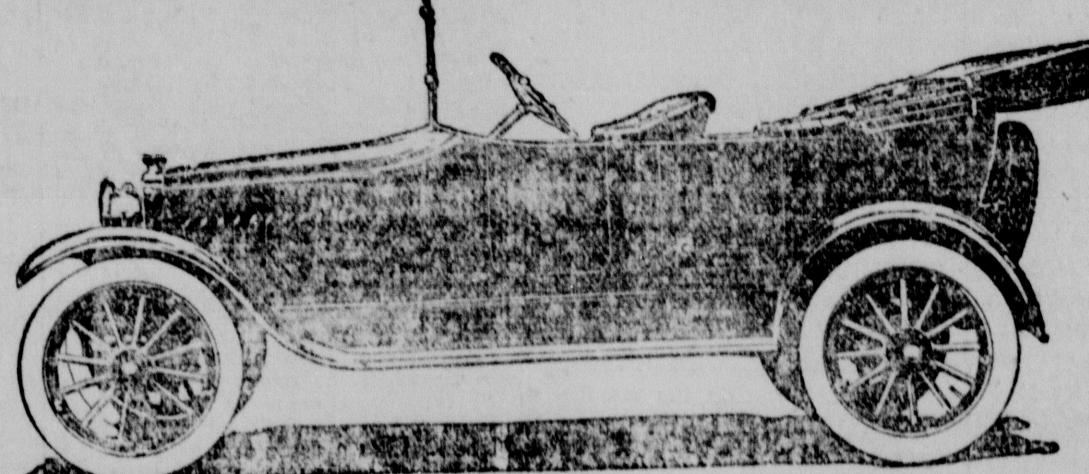

Springfield, Ill., Oct. 30.—Ten thousand fire prevention school readers have been mailed by the state fire marshal's office and at least that many more are needed. The reader is a textbook dealing with the ordinary fire hazards to every community and contains instructions for the removal of them.

In a message to superintendents and teachers, Francis G. Blair, state superintendent of public instruction, recommends the use of the book.

KILLED BY GASOLINE EXPLOSION.

Jerseyville, Ill., Oct. 30.—Freeman Sweet, aged twenty-one, of Shipman, Ill., a farmer, was fatally burned by an explosion of gasoline fumes while he was filling the gasoline tank of his automobile. He died within an hour.

# SAXON "SIX"

## This is Your Car if You Want A Six Success

**In the Saxon "Six" at \$785 you are offered a car of the highest merit. Luxurious--light--powerful--silent--distinctive--it stands pre-eminent in its price field.**

Only a short time ago you were compelled to pay from \$3000 to \$6000 for a six-cylinder car. Even at those figures you were not assured of the present day knowledge in automobile building. Just as improvements have been made on harvesting machines--alarm clocks--telegraph systems--and other everyday necessities, so have they been made in the automobile industry. And all the modern day automobile improvements are to be found in the **Saxon**.

## ....Today There Are Four New Ideas In Motor Car Design....

**First** -- light weight.

**Second** -- high speed motor.

**Third** -- yacht-line body.

**Fourth** -- increased riding comfort for all passengers.

All four of these modern ideas you will find incorporated in the Saxon "Six." Light weight comes from right design and right materials. Expensive nickel steel in Saxon axles, steering gear and other vital parts is lighter and stronger, than the ordinary carbon steel. Vanadium steel makes better springs and reduces their weight.

The Saxon high speed motor design gets more power on less gasoline than used to be possible with a bigger motor. Today in your touring car of course you want a "Six." No lesser motor can give you the same even pull--smoothness--power--flexibility.

Except for starting the car, shifting is practically unknown to Saxon "Six" owners.

The yacht-line body of the Saxon "Six" exemplifies the latest in motor car fashion. This type of body originated in Europe sometime ago and has rapidly been taken up in this country, until today people are demanding that their touring cars be furnished with this type of body.

## The Saxon "Six" is a Big Car for Five People--Plenty of Room in Driving Compartment and Tonneau. . . . .

The long, resilient, cantilever springs assure riding comfort.

If you seek speed the Saxon "Six" has it. Recently a stock model covered 490 miles from Los Angeles to San Francisco in 13 1/2 hours, beating the "Lark" (the Southern Pacific's fastest mail train) by 15 minutes.

If you seek power the Saxon "Six" has it. "It laughs at hills." The car is absolutely phenomenal in its power and flexibility and our dealers welcome any test you care to invite. We are perfectly confident that the Saxon "Six" for power--speed--flexibility--acceleration--hill climbing--quietness--smoothness--coolness--comfort--economy will out-perform any car in its price class. Ask to be shown.

## No. 173, Series of 1915.

## NOTICE TO CONTRACTORS.

Sealed proposals addressed to the Board of Local Improvements and the Council of the City of Dixon, Illinois, and endorsed, Proposals for the furnishing of the labor and materials for and the construction of vitrified tile pipe sewer, for sanitary purposes, with manholes, house connection laterals and flushing tank in Ottawa Avenue in the City of Dixon, Lee County, Illinois, as provided for in Local Improvement Ordinance Number 173, Series of 1915, of said City of Dixon will be received by the Board of Local Improvements and the Council of the City of Dixon, Lee County, Illinois, at the City Clerk's Office in the City of Dixon, until ten o'clock in the forenoon, on Tuesday, the 9th day of November, A. D. 1915, and will be publicly opened by the Mayor of said City of Dixon, (who is the President of the Board of Local Improvements) at a joint meeting of said Council and Board of Local Improvements to be held in the Council Chamber in the City Hall in said City of Dixon at ten o'clock in the forenoon of said day.

Said bids shall be opened by the Mayor in the presence of a majority of the Council and shall remain on file in the Mayor's office and be open to public inspection for at least forty-eight hours, before an award of said contract is made to any competitive bidder. After the expiration of forty-eight hours, as stated above, said Council and Board of Local Improvements shall meet in joint session and determine the most advantageous bid for the City and publicly declare the same.

The work for which the said tenders are invited is the construction of 825.5 cubic yards of excavation; 333 cubic yards of probable rock excavation, extra; 960 linear feet of 8" sewer pipe laid; 576 linear feet of 6" house connection pipe, laid; 2 manholes, 3" inside, with cast iron covers and iron steps; complete; 1 flushing tank with east iron top, flushing siphon, feed pipe with automatic cock and iron steps inside and outside lamphole as provided for in Local Improvement Ordinance No. 173, Series of 1915 of the City of Dixon, Illinois.

Each bid for this improvement must be accompanied by certified check or cash for an amount not less than ten per cent of the aggregate of such proposals. All certified checks must be drawn on some responsible bank and must be payable to the order of the President of the Board of Local Improvements in his official capacity. No bids will be considered unless accompanied by such certified check or cash.

Said cash or certified checks will be held by said Board of Local Improvements until all the bids have been canvassed and the contract has been awarded and signed. The return of such check or cash to the successful bidder being conditioned upon his appearance within fifteen (15) days after having been notified of the award having been made to him or them accompanied by his or their bondsmen and executing a contract with said Board of Local Improvements for the completion of the work so awarded and giving a bond satisfactory to the Board of Local Improvements and Council of the City of Dixon.

A bond of Three Thousand Dollars will be required conditioned for the fulfillment of the contract in accordance with the ordinance and specifications and to the satisfaction of the said Board of Local Improvements and Council of the City of Dixon.

All proposals must be made on blanks, which will be furnished bidders at said City Clerk's Office.

Payment for the work for which said tenders are invited is to be made in cash or bonds, payable when the contract is completed and the work accepted by the Board of Local Improvements and Council of the City of Dixon, bonds to draw interest at five per centum. No bids will be considered unless the party making it shall furnish evidence satisfactory to said Board of Local Improvements and Council of the City of Dixon of his experience and ability in this class of work and that he can control sufficient capital to enable him to successfully prosecute the same in case the contract shall be awarded to him.

Bidders will examine the ordinance, maps, plats, plans, profiles and specifications and also the locality in which said work is to be done and judge for themselves of all the circumstances and surrounding conditions affecting the cost and nature of the work. Specifications for said work are on file in the Mayor's office, and may also be seen at the Office of the City Clerk in the City of Dixon, from and after this date.

The person to whom the contract for the construction of said improvement is awarded, shall, before the commencement of work under such contract, provide ample, suitable and valid insurance policies to provide against and pay all claims for injury

to persons or property arising under the laws of the State of Illinois, in the prosecution and construction of said work.

The Council and Board of Local Improvements reserve the right to reject any and all bids.

Dated at Dixon, Illinois, this 27th day of October, A. D. 1915.

SIGNED, THE COUNCIL AND BOARD OF LOCAL IMPROVEMENTS OF THE CITY OF DIXON.

## "DEATH IN THE POT."

"Death in the pot." That sentence condenses the story of a tragedy. A little family gathering. A fine dinner cooked in the large copper kettle long disused, and the entire family poisoned by the accumulated verdigris. The story was told by the newspapers. The moral of it is, that the purest food, put into a foul vessel, may become a minister of death.

If the stomach is diseased it is like the poisonous kettle, which taints everything that goes into it. The symptoms are irregular appetite, undue fullness after eating, distressed feeling in the stomach, of fluttering and sinking sensations, palpitation, dizziness, ringing in ears, sour or bitter risings and constipation. Not all these symptoms may be present at the same time, but any of them shows disease in the digestive or alimentary tract.

The intimate relation of the stomach to the blood, heart, liver, and lungs makes it a medical maxim, "Start with the stomach." It is upon this principle that Dr. Pierce's Golden Medical Discovery effects so many and such remarkable cures. It cleanses the stomach and the system is cleansed. It increases the action of the blood-making glands, and the body is enriched by the purified blood. It's a tonic and body builder that strengthens the digestive or nutritive organs and these strengthen the whole body by increasing the quantity and quality of its nourishment. It carries off the poisonous, effete matter. In this way it re-establishes health, banishing the bodily aches, which are but symptoms of the stomach's condition.

Get Dr. Pierce's Golden Medical Discovery from any medicine dealer-to-day, in either liquid or tablet form. Write Dr. Pierce, Invalids' Hotel, Buffalo, N.Y., for free booklet on stomach and blood or send 30 cents for "Medical Adviser."

## Many at Dancing Class

The Friday evening dancing class was very well attended and Miss Thompson gave instruction in the more popular society dances. An informal dance followed, Miss Myrtle Rice and brother Curtis furnishing the music.

## Hallowe'en Masquerade

Miss Laura Andrews and Miss Florence Daehler delightfully entertained sixteen of their friends with a Hallowe'en masquerade party Friday evening at the home of Miss Andrews. The evening was spent in games, music and dancing. The house was beautifully decorated, with witches and jack-o'-lanterns in much evidence. The hostesses served dainty refreshments during the evening.

## L. L. Club

The L. L. club was delightfully entertained at the home of Mrs. Geo. Anderson Thursday afternoon. The time was spent in fancy work and chat. Miss Myrtle Anderson entertained the ladies with a few piano solos, which were followed by the serving delicious refreshments by the hostess. Mrs. Huggins of Ottawa avenue will entertain the club at the next meeting.

## Unique Hallowe'en Party

The home of Mr. and Mrs. Nolan Lord, 1006 N. Hennepin avenue, was the scene last evening of a most unique Hallowe'en party given by Mesdames Lord, Drummond, Fuhs, and Major to members of the Cly Aley club and their husbands. The guests were received at the door and ushered in by ghosts. A witch at the head of the stairs directed them to the dressing rooms. The queer conceits of Hallowe'en were used in the decorations, pumpkins, witches, ghosts, cats and bats, forming an endless procession about the sides of the rooms. Hallowe'en games were enjoyed and a marshmallow toast at a big bonfire out in the yard formed a delightful feature.

Luncheon was served in the dining room, which was decorated in festoons of orange and black crepe paper. The large table was surrounded by a frieze of witches, while a huge pumpkin, filled with fruit, formed the centerpiece. The small tables were treated in much the same manner. In the doorway between the kitchen and dining room a huge pumpkin face with the drapes of a ghost was arranged and through it huge mouth the luncheon delicacies, in keeping with Hallowe'en ideas, were served. The twenty-five guests departed in the wee hours of the morning.

Baldwin Camp, No. 23, A. U. S. W. V., will meet Tuesday evening in Miller hall.

## Masquerade Ball

The masquerade ball given by the Past Noble Grands club at L. O. O. F. hall last evening was a great success. There in a setting of Hallowe'en decorations, bittersweet berries, evergreen, corn and pumpkins, black cats, from between 250 and 275 people, dressed in the indescribable costumes of the season as witches, ghosts, gypsies, fairies, and all the motley throng, held high revel, dancing the old fashioned quadrilles and round dances.

An orchestra, piano, guitars, and violins, composed of Messrs. Kent, Schick, Hey, Tripeir, and Rutt, furnished the music, with John Tripeir as the expert caller of the dances. Music was also furnished by the Edison Disc machine loaned by J. E. Moyer.

The judges on the fancy costuming were Herbert Schick, Mrs. Dave Spencer and Mrs. Charles Hey, and the prizes were awarded to Miss Nesbit for the best portrayal and to Mrs. Walter Brauer for the most laughable costume. Miss Nesbit was dressed as a witch, and Mrs. Brauer represented an infant.

During the evening fortune telling, carried on by Mrs. Kent as a gypsy, and Miss Jennie Oakes and Mrs. Devies, furnished one of the pleasing diversions.

Candy and sweet cider were sold from booths during the evening and refreshments of coffee, ginger cookies, and cider were served.

## Young Ladies' Auxiliary

The Young Ladies' Auxiliary of the Presbyterian church will meet with the Misses Woodburn, 410 Dixon Avenue, Tuesday evening.

Friendship Lodge, A. F. & A. M.

A special meeting of Friendship Lodge, No. 7, A. F. and A. M., will be held this evening at 8 o'clock at Masonic hall for work in the first degree.

## At Country Home

Miss Seville Crawford was hostess at the Crawford country home at a very pleasant Hallowe'en party Friday evening, the trip being made in the large Crawford auto truck. Mrs. Crawford, Miss Grace Judd and Miss Amy Petersberger were the chaperons. The guests were members with Miss Seville of the Sinnissippi Campfire Girls and an equal number of boys.

## CHOICE RECIPES

The Telegraph will now and then give in its columns for the benefit of its women readers cooking recipes that have been tried and which we know to be good, as they come from our friends. Below is a seasonable one:

## DESSERT—TORTA

1 cup dates  
1 cup butter  
1 cup nuts  
1 cup sugar  
3 eggs  
1 cup flour

1/2 teaspoon salt

Bake 15 minutes. Slice and serve with whipped cream.

## With Groom's Parents

Mr. and Mrs. Charles Rosbrook, whose wedding was solemnized Wednesday evening at the home of the bride's parents, Mr. and Mrs. C. F. Mun of Humboldt, S. D., are guests at the home of the groom's parents, Mr. and Mrs. Tryon Rosbrook of the Bend. Mrs. Rosbrook was Miss Ruth Lucile Munn and resided in this city until nine years ago when Humboldt, S. D., became her home. Mr. Rosbrook has been a resident of Humboldt for the past three years, and after their honeymoon, Mr. and Mrs. Rosbrook will make their home there.

Their wedding was a very pretty one, solemnized at the bride's home with Rev. Graff of Hartford, S. D., as the officiating pastor. The bride and her bridesmaid, her sister, Miss Verda Munn, were attired in white silk and carried white chrysanthemums. John Rosbrook of this city attended his brother as best man. White chrysanthemums decorated the house throughout. A three-course supper was served after the ceremony.

## "Juvenile" Party

The girls of the Junior class of the Dixon high school will enjoy a "Juvenile" party this evening with Miss Leah Lawson of Route 8.

## Motor Trip

Orville Bryan and his mother, Mrs. Miles Bryan, enjoyed a motor trip yesterday including Chana, Rockford and Ashton.

## At Box Social

Mr. and Mrs. W. W. Phillips, Miss Jeanetta Phillips, Miss Marjorie Slothower, and Misses Marcelle and Mary Bremer attended the Hallowe'en box social given Friday evening at the Hill school of which Miss Mary Mahan is teacher.

Refreshments suited to the Hallowe'en season, pumpkin pie, fried cakes, sandwiches, pickles, and coffee, were served at a late hour, with the daughters of Mrs. Boese and Mrs. H. H. Stevens serving. During the course of the evening Mr. and Mrs. Boese were further surprised by the advent of J. E. Moyer bringing a handsome oak rocker, a gift from the neighbors assembled. Charles Breisch of the Kingdom presented the chair, voicing in his talk the esteem in which Mr. and Mrs. Boese are held. Mr. and Mrs. Boese responded in words of appreciation.

The evening was further passed in chat and music. Mrs. Carson, an accomplished pianist, accompanied her two sisters, and Miss Mary Walters and Charles Spangler as they gave several quartette numbers and also gave a number of instrumental solos.

## THE DEATH OF A GREAT NATURALIST.

Henri Fabre has just died at his home in France. Only toward the close of his long, laborious life had the careless world begun to realize that in this unpretentious son of peasants, waging a heartbreaking struggle against poverty and humiliating neglect, it had been ignoring a unique genius. For this long failure to obtain fitting recognition there were many reasons. Fabre possessed none of the arts of the self-advertiser. Entomology, when he embraced it as a career, was a neglected science, and the phase of it to which he intuitively turned, the study of instinct, was especially neglected. Then, too, though versed in several sciences, Fabre was impatient of booklore in his own field, and refused to bow to the theories of the day, preferring to interrogate Nature alone. Finally, it may be that even his delightful prose, with flashes of fancy and quaint humor, inspired in the Gradgrinds of science a certain distrust. This distrust, if it existed, Fabre was at no pains to allay, for he declared that he hated the barbarous jargon which made science so thorny and repellent to the young. In his youth Fabre felt a strong inclination toward medicine. Had he followed that inclination, says The Journal of the American Medical Association, he surely would have made notable contributions to medical science. As Legros says, he had in high degree "that gift, properly speaking poetic, which is known as the clinical eye, which at the first glance perceives and confirms the diagnosis in all its detail." He also had the gift of untiring observation, the thirst for knowledge, the capacity for unlimited work and the illuminating imagination which mark the scientific discoverer. Yet we can scarcely reproach the fate which gave his faculties their own peculiar trend. Darwin styled him "the inimitable observer"; Maeterlinck called him "one of the most profound and inventive scholars" \* \* \* \* one of the purest writers, and \* \* \* \* one of the finest poets of the century that is just past"; Edmond Rostand characterized him as "this great scientist, who thinks as a philosopher, sees as an artist and feels and expresses himself as a poet." . . .

## MAN'S DECREASING HEIGHT.

In recent years anatomists have shown in a practical way that the height of a man or woman can be increased to a considerable extent by appliances for stretching. These extensions, however, have only been of inches or fractions of an inch, and giants have not been, nor are they likely to be, developed by artificial means. It was a French savant named Henrion who, 200 years ago, gave to the world authoritative statements as to the height of Adam and Eve. He said that that father of the race was 123 feet nine inches high and Eve 118 feet nine inches. He noted that from the creation of these enlarged editions of humanity degeneration had been rapid, that Noah was only 27, Abraham only 20 and Moses but 13 feet in height. According to this French authority, if the Christian dispensation had not arrested this decrease, man, by this time would have been a mere microscopic object, and we may conclude that by our time he would not have been at all. M. Henrion did not give any explanation as to how he arrived at his estimate of the height of these ancients. Perhaps the most gigantic story on record is that concerning an immense skeleton said to have been found in Sicily, which measured 300 feet in length. This story, however, carries its own refutation, as it is said that beside this giant was found a walking stick that was 30 feet long and as thick as a telegraph pole. A clever calculator made the estimate that a walking stick 30 feet in length for a man who measured 300 feet would be as ridiculous as one of seven inches for a man of ordinary stature. —Indianapolis News.

## TRAFFIC REGULATION.

The danger of automobile accidents could be lessened if there were a traffic ruling in Dixon providing a right-of-way for automobiles traveling in a certain direction or on designated streets. Machines may be traveling slowly but on arriving at an intersection simultaneously at right angles there is always confusion and doubt as to which driver shall go ahead.

If you want a friend who will stick to you through thick and thin and will be ready to back you up and love you at any time you will let him, no matter what reverses you may meet or troubles that may overtake you, buy yourself a dog.

If the weather man allows fair weather there will be a lot of gasoline burned up tomorrow.

When you hate your work you cannot do it well and it is time to change.

"Experience" is quite apt to be the name men give their follies.

## City in Brief

Send your live stock to Shannon Bros. & Co., Union Stock Yards, Chicago. 253tf

Miss Mary Schumm, R. N., returned this morning from California.

Misses Avis Thompson and Myrtle Rice went to Chicago this afternoon to spend the week end with friends and relatives.

Attorney P. M. James was here today on business at the court house.

Walter Cromwell was in Chicago yesterday on business.

Attorney C. F. Preston of Pawpaw was here Friday.

Fred W. Schmidt of Leland was in Dixon Friday.

Frank Curran went to LaSalle today with the football team to witness the game between the locals and the LaSalle team.

Mr. and Mrs. Hoefer have rented the E. W. Smith furnished house for the winter during the absence of Mr. Smith in California.

George Brooks of Hamilton township called on friends here today.

Attorney Alva Wingert motored down from Mt. Carroll to attend the memorial exercises at the court house and to visit his mother, Mrs. W. J. Wingert on Third street.

Joseph Shelhamer left last evening for Blue Earth, Minn., on a few weeks' visit.

Attorney C. B. Morrison came out from Chicago on the noon train today to spend Sunday with his family.

Banker S. A. Durkes was down from Franklin Grove this afternoon calling on his brother, W. C. Durkes of this city.

Mrs. C. F. Herrmann of Rogers Park is here for a week end visit at the home of Mr. and Mrs. H. H. Heinze.

Mr. and Mrs. Guy Miller went to Freeport today to spend Sunday with Mr. and Mrs. Ezra E. Miller.

Mrs. Mort Glen, Miss Hart and Miss Eddy of Ashton were here today.

Mr. and Mrs. August Gehant and daughter of West Brooklyn were in Dixon Friday.

Mr. and Mrs. Paul Lennon and guests, Mr. and Mrs. Arthur Angell of Prophetstown, motored to Rockford Friday.

Judge Heard of Freeport attended the memorial exercises at the court house today in honor of members of the Lee county bar.

Mrs. Wm. Frazer of Polo was here today.

Mr. and Mrs. Amos Holzhauer of near Polo were Dixon visitors today.

Aaron Book of Prairievile was a visitor in Dixon this morning.

The Keyes, Ahrens, Ogden Co. have an unique window display, showing the Dixie mattress in all stages of making. The bottom of the window is covered with the raw cotton as it comes from the cotton fields; in the center window the finished mattress is shown; in the background is shown a mattress rolled in the shape of a lily with electric effects that flash the beauty of the scheme. Around the back of the window are cards telling about the cleanliness and softness of the mattress. A mattress display is one of the most difficult windows to make, if it is made right. The Keyes, Ahrens, Ogden Co. knew this and had an expert window trimmer come from Chicago to assist in the trim. This is the first time window of this kind has ever been shown in Dixon and it is indeed a creditable effort for this progressive furniture house.

## SOUTHERN PACIFIC IS WARNED

Road Which is Transporting Carranza Troops Gets Threat from Leader—\$25,000 Demanded—American Mines Ordered Closed on Day's Notice—Jig About Up for Villa.

El Paso, Oct. 30.—Apparently a campaign of anti-Americanism has been launched in Villa-controlled territory in Mexico. The Southern Pacific railroad has been threatened with annihilation in that state. The threat is the result of the movement of Carranza troops over the Southern Pacific, through the United States to Agua Prieta, Sonora, to reinforce Colonel Elias Calles, the Carranza commander at that place. Chief Urbalejo, of the Yaqui Indian forces in Sonora informed officials of the Southern Pacific of Mexico if \$25,000 is not paid at once he proposes to wreck the entire line in Sonora. Urbalejo is moving north along the line of the Southern Pacific near Cananea at present to aid Villa in the attack upon Agua Prieta when Villa arrives for his announced assault upon that border stronghold of the Carranzistas.

**Fear Felt for Americans.**  
Fear is felt on the border for a number of Americans known to be coming out of El Tigre and Cananea, Sonora. Whether they have been killed by Villistas or are being held to prevent them bringing information to Calles at the border is not known.

The few Americans arriving at the border from Cananea in the last twenty-four hours report that Chief Urbalejo forced the closing of the smelter at Cananea, an American-owned property, on one day's notice, leaving 100,000 pounds of copper bullion ready for market.

## American Cattleman Killed.

Charles Boone, an American cattleman, was deliberately murdered by a band of Villa troopers at Guzman station, south of Juarez, Wednesday night, while he was bringing cattle out of Villa territory. His companion, James Welch, reached El Paso with the report of the killing. He said the Villa soldiers went through a train hunting for "gringos" that they might shoot some more. Welch says he hid in the coal on the engine tender.

Carranzistas claim the Villista evacuation of the city of Chihuahua is complete and that their forces south of Chihuahua have only to march in and take possession.

If Villa is defeated at Agua Prieta, it is generally believed that his career as a military man in Mexico is ended and that he will seek refuge in the United States. If he wins at Agua Prieta further fighting of a desperate character is expected in that state.

**No News of Carranza Assassination.**  
Nothing is known here of Carranza's reported assassination, though many inquiries have come in the last few hours from various parts of the United States asking for confirmation.

**Iowa Synod Chooses Clinton.**  
Iowa City, Ia., Oct. 30.—Clinton was designated the next meeting place of the Lutheran synod of Iowa at the closing business session of the synod held here.

## ILLINOIS FUNDS LOW; ZERO APRIL 1, 1916

## Big Appropriations, Small Tax

## Rate Is Cause.

Springfield, Ill., Oct. 30.—Illinois faces a depleted state treasury and gloomy prospects are ahead. Andrew J. Russell, state treasurer, says the state will be without funds next April.

The low tax rate compared with the figure fixed last year is blamed as the cause. Politics again carries the burden of the cause of low finances. Last year Governor Dunne and Charles S. Deneen carried on a controversy. The rate was the highest in the history of the state and Governor Dunne blamed it on the administration methods of Mr. Deneen. Now Mr. Russell places it on the methods used by Gov. Dunne and the other state officers in fixing the rate for this year's levy at 48 cents, a cut from the 70 cent rate of last year.

The actual balance in the state treasury Sept. 30 last was \$7,922,861.40; the balance a year ago on that date was \$12,255,132.43," said Mr. Russell. "This difference is largely accounted for in the lower tax rate and in the increased appropriations. The tax rate under which the state worked last year was 70 cents and this year it was 48 cents. This alone cut down the state's revenue more than \$6,000,000. The finances of the state are in good shape, but it can readily be seen that by the time the next taxes are received the checking balance in the treasury will be practically exhausted."

David Marks of Chicago is here to spend Sunday with his parents, Mr. and Mrs. Philip Marks.

## "GRAND OLD MAN" OF CANADA IS DEAD

SIR CHARLES TUPPER, VENERABLE STATESMAN, PASSED AWAY TODAY

## WAS MAN OF GREAT INFLUENCE

(Associated Press)

Ottawa, Canada, Oct. 30.—Sir Charles Tupper, venerable Canadian statesman, died today, aged 94.

From the establishment of the Dominion of Canada in 1867, in which he played a prominent part, up to within a few years ago, Sir Charles Tupper was so prominent in Canadian statesmanship that upon his retirement he, like the late Lord Strathcona was called "Canada's Grand Old Man."

Born at Amherst, Nova Scotia, July 2, 1821, he studied medicine at Edinburgh University, and attained success in the profession in his native Nova Scotia where he entered politics in 1855 by winning a seat in the Nova Scotia parliament as a Conservative. He defeated Joseph Howe, leader of the Nova Scotia Liberals.

Young Tupper made himself a power in parliament, and became premier of Nova Scotia in 1864. After the formation of the confederation he became minister of customs in the Sir John Macdonald cabinet that resigned in 1873, and was Sir John's closest adviser in the five years during which the Conservative Party was out of power. In 1878, when Macdonald returned to office, Dr. Tupper became minister of public works. He created the department of railways and canals, and became its first minister. In this post he carried out the policy of the government for the enlargement of the Welland canal, deepening of the St. Lawrence river, improvement of the Intercolonial railway and construction by a private company of the Canadian Pacific railway.

He retired from the ministry in 1884 and went to London as Canada's highest commissioner. In 1877 he was recalled, to be minister of finance in Macdonald's new cabinet, but resigned next year and resumed his duties in London. In January 1890 he entered the Sir Mackenzie Bowell administration as secretary of state and leader in the house of commons, and on the retirement of Bowell four months afterward he succeeded him as prime minister.

After the defeat of the Conservatives in June, 1896, Dr. Tupper resigned office and upon the meeting of the new parliament he was elected leader of the Opposition. A few years later he retired to private life. Several years ago he went to London, intending to spend his remaining years there. His leave-taking was made the occasion of a great popular demonstration in Vancouver. Dr. Tupper was created a baronet in 1879. He was at one time president of the Canadian Medical Association.

SPECIAL ASSESSMENT NOTICE  
Notice is hereby given to all persons interested that the City of Dixon, did, by Local Improvement Ordinance Number 166, Series of 1914, passed by the Council of said City, on the 4th day of May, A. D. 1914, and approved by the Mayor of said City on the 4th day of May, A. D. 1914, order that cement concrete curbing and vitrified brick or block pavement with asphalt flir, be constructed on North Crawford Avenue in the City of Dixon, Illinois, and that said pavement was constructed in accordance with law and the provisions of said ordinance, and that said ordinance is now on file in the office of the City Clerk of said City of Dixon.

That the Board of Local Improvements of the said City of Dixon, in the County of Lee and State of Illinois, at a regular meeting of said Board, held on the 21st day of September, A. D. 1915, passed a resolution providing in substance that a supplemental assessment be levied to pay the estimated deficiency of said Local Improvement Ordinance Number 166, Series of 1914, for the improvement therein described.

That pursuant to said resolution, the Council of the City of Dixon, on the 21st day of September, A. D. 1915, passed an ordinance providing for the levy of a supplemental assessment to pay a deficit arising from the construction of vitrified brick or block pavement and cement concrete curbing on North Crawford Avenue from the north line of East Fellows Street to the north line of Section 32, Township 22, Range 9, in the City of Dixon, Illinois, as provided in said Local Improvement Ordinance, Number 166, Series of 1914, of the City of Dixon, Illinois, which said ordinance, providing for said deficit, was duly approved by the Mayor of the City of Dixon on the 21st day of September, A. D. 1915, a copy of which ordinance is now on file in the office of the City Clerk of the said City of Dixon.

That application has been made to the County Court of Lee County, Illinois, for an assessment to pay said deficit, according to benefits as provided by law and said ordinance; that this assessment is payable in nine (9) annual installments bearing interest at the rate of five (5) per cent per annum, according to law, until paid.

Dated at Dixon, Illinois, this 26th day of October, A. D. 1915.

A. H. HANNEKEN,  
Commissioner.

## A BIT OF ADVICE

FIRST—DON'T DELAY. SECOND—  
DON'T EXPERIMENT.

If you suffer from backache; headaches or dizzy spells; if you rest poorly and are languid in the morning; if the kidney secretions are irregular and unnatural in appearance do not delay. In such cases the kidneys often need help.

Doan's Kidney Pills are especially prepared for kidney trouble. They are recommended by thousands. Can Dixon residents desire more convincing proof of their effectiveness than the statement of a Dixon citizen who has used them and willingly testifies to their worth?

Mrs. J. Carity, 511 Spruce street, Dixon, says: "Some few years ago I suffered from a severe attack of kidney trouble. My back was so sore that I couldn't walk erect and mornings it was hard for me to get out of bed. It was next to impossible for me to stoop over. I had tried various medicines, but they had no benefit and had about given up hope of getting better. A friend recommended Doan's Kidney Pills so I got some at Leake Bros. Co.'s drug store. By the time I had finished two boxes I was able to sit up in bed and my back felt stronger. I used eight boxes and had no more trouble until I injured my back a short time ago. Doan's Kidney Pill's then gave me immediate relief."

Price 50¢ at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Carity had. Foster-Millburn Co., Props., Buffalo, N. Y.
